MOMS AND BABIES NEED A CHAMPION

When you participate in March for Babies, you're raising critical funds to help tackle the biggest health threats to moms and babies. Many first-time participants raise an average of \$350. If you've participated before, set a higher fundraising goal!

FIVE WAYS TO FUNDRAISE

The most successful fundraisers use a multi-channel approach!

1 ONLINE

Use the online tools to send emails, and follow-up and thank you notes. Keep track of your donations in real-time with the March for Babies App!

2 SOCIAL MEDIA

Reach out to your friends and family on Facebook, Twitter and Instagram to let them know you're participating. Don't forget to tag us @MarchofDimes #marchforbabies!

3 IN PERSON

It's easy to ignore an email but it's harder for people to say "no" in person. Tell your supporters why you March for Babies!

4 LETTERS

Some supporters like receiving a letter in the mail. It's a good option for people who want to send a check or cash donation.

5 MATCHING GIFTS

Some companies match donations that their employees make. Ask your family and friends if their employers will match their donation to March of Dimes.
