Help us to know your team members!

Please encourage all your team members to register at www.marchforbabies.org before the walk! To provide the best event experience possible while being good stewards of our donor dollars, we need participants to sign up online so we can get a better idea for logistical planning. We appreciate your help!

Parking Options

Registration starts at 9am, so please be patient with traffic and allow yourself plenty of time to make it to the venue before the start of the walk at 10am. Victory Field will not be an option this year,

but the Government Center Garage has graciously offered a discounted rate of \$5 for parking. This garage is

located at Washington and West Streets. A map of additional parking options can be found at the following link <http://inwhiteriver.wrsp.in.gov/#MAP>. Please allow plenty of time to find parking.
