

# calling all little heroes

## never fear - your cape is here!

Any registered youth walker who raises at least \$75 on their [marchforbabies.org](http://marchforbabies.org) fundraising page will win our official March of Dimes **child size superhero cape!**

This is a super fun way for the youth to be recognized as a superhero for babies and an important (don't forget cute!) member of your March for Babies team!

### for the team captain

**First**, simply register your youth as a member of your team and be sure to select an age range for them. **Next**, help them personalize their fundraising link by adding a picture and a short story about why they are participating. **Then**, post their link to social media and/or email it to grandparents, family and friends. **Finally**, enjoy the hero-sized smile from that caped crusader for healthier babies!

**capas will be available during the entire fundraising season - including event day and beyond! But don't wait, or they'll all be gone!**

**heroes come in all sizes!!**
