

### What to bring when turning in March for Babies donations:

**PRINT** your online donation page - **Participant Donation Form** - from [marchforbabies.org](http://marchforbabies.org) and bring it with you to registration along with any cash or checks. You can find this form on your personal fundraising dashboard by clicking the **My Donations** tab and then pressing the **Print Form** button. If you forget your online form you will need to complete a paper **Participant/Donation Form** at registration.

### Team Captain check-list for registration . . .

- Ensure **EVERY** team member turning in donations has printed their Participant Donation Form or completed a paper Participant Registration/Donation Form.
- **Secure** all cash/check donations from each team member **with** their Personal Fundraising Donation Form or a Participant/Donation Form. You can put their form and donations into an envelope (one envelope per participant).
- If you are turning in Ohio \$5 Raffle ticket stubs on walk day, please keep these separate from any money you are turning in by placing them in a separate envelope with your team's name on the front. Make sure the person you are checking in with knows the envelope has Ohio raffle tickets so they can be placed in the correct box.
- **Please DO NOT combine cash/check donations from multiple participants** when turning money in. All donations must be linked to a Personal Fundraising Donation Form or paper Participant/Donation Form for each participant/walker.
- **We ask No Coins Please!** Convert to cash/check. **Our Volunteers thank you!!!**
- Make checks payable to **March of Dimes**. Checks or money orders are **PREFERRED**.
