Fundraising Reminders

Thank you so much for supporting the Gwinnett March for Babies event. We cannot thank you enough for all that you do. We

are still fundraising

even though the event is over. For individual fundraising incentives like the gift cards, the deadline to turn in money will be June 30, 2015. A postcard will be sent to the address on file for you to select your gift card. If you do not have your home address on file, please let us know so we can update it for you. Online fundraising will close on July 15th. We will be accepting cash/check money through the end of the year. We are so close to goal and would love your help in getting there!

Walk Day Recap

We had a fantastic time in the rain. Our photographer, Kimberly Evans did a fantastic job creating a Walk Day photo album for us. We did not want to overload your inbox so we are not going to attach the album to the newsletter. We would love to share them with you so if you would like us to send you the attachments, let us know.

We have received positive feedback from several people and we would like to hear about your experience, too! We are asking you to email your community director with answers to the following questions:

What did you like about Walk Day?

For our veteran teams, did you prefer the 5K route used in the past or the sidewalk lap path?

What would you change about the event for next year?

What would you like to see for 2016?

Did you know?

Publix Supermarkets have been partnering with the March of Dimes since 1995. Since that time, Publix has raised a whopping \$52 million dollars for our March for Babies events. You can find other corporate sponsors of the March of Dimes on our website.

Turning in Money and Event T-Shirts

Event t-shirts will be given to those who have raised \$200 or more. In order to receive a shirt or gift card, funds must be credited to a team member or walker and not to the general team total. We want to ensure that everyone is happy so let us know if you haven't received your shirt or if you need us to move funds. If you are a team captain and enough to receive shirts, let us know and we can work together to get the shirts you need.
