

# A HEALTHY START FOR EVERY BABY

**N**ow more than ever, moms and babies need a champion. You can make a difference for thousands of families in your community and across the country. March of Dimes helps 4 million babies born each year. March with us to help raise awareness and funds to tackle the issues that threaten their health the most. With you by our side, we fight to ensure a brighter future for all families.

## WALK WITH US

Join us at March for Babies on May 6 at Reston Town Center. You'll be walking 3 miles alongside 1,500 others throughout the town of Reston. The day will include a DJ and more. Take part in our family fun area, filled with a moon bounce, face painting, and arts and crafts. We hope to reach our goal of \$400,000 with your support.

Can't join us for the walk? You can volunteer or fundraise in a Virtual Walk all year long! Visit [marchforbabies.org/event/](https://marchforbabies.org/event/) for more information.
