

SPONSORSHIP OPPORTUNITIES

March for Babies – Dallas 2026

Saturday, April 18 – Levy Event Plaza – Irving, TX

When you join March for Babies, you're joining a movement to improve health outcomes for moms and babies... because our country is facing a maternal and infant health crisis.

The U.S. remains among the most dangerous developed nations for childbirth, especially for women and babies of color. It's unacceptable. Each year, one woman dies every 12 hours from pregnancy and childbirth complications, two babies die every hour, and 1 in 10 babies is born too soon.

As a March for Babies community, we're better together. We're stronger together. We're louder together. United by our shared passion for helping families, we rally through the highs and lows of pregnancy and parenting at every point of the journey. Across the country, as teams and individuals, this collective community is part of an even greater movement—a mother of a movement—to help March of Dimes work to close the health equity gap and end preventable maternal and infant risks and death.

Together we will UNITE, CONNECT, HONOR, and CARE for every family to improve maternal and infant health. We'll support every family with health education and resources. We'll help fund research to change the future of our children—and our children's children. We'll push for policy changes that protect moms and moms-to-be.

We will make change happen.

Join our community. Fundraise for families.
