

family team supporters

Family Teams are at the heart of the March of Dimes mission and an inspiration to all March for Babies supporters. Family Teams choose to honor or remember a special baby in their lives by walking with us in March for Babies and raising money for the mission of the March of Dimes. Your contributions to their team will truly change the future.

Here's how it works:

1. Make a tax-deductible donation to the March of Dimes. This donation is credited to the team's fundraising total.
2. You receive recognition the day-of the event, and the satisfaction of supporting a great cause.
3. Come out to the event, promote your business/cause and support your family team!

about the march of dimes

The mission of the March of Dimes is **“to improve the health of babies by preventing birth defects, premature birth and infant mortality.”** Every year, more than half a million babies are born prematurely and more than 120,000 are born with serious birth defects in the United States.

Seventy-seven cents of every dollar raised is spent on research and programs to help save the lives of our most fragile and change the future for babies around the world. A healthy birth is a gift that can never be taken for granted. It should be every child's birthright, but it is not every child's reality. Every day, babies fight for their lives; and with your help the March of Dimes helps them win.
