

A HEALTHY START FOR EVERY BABY

Now more than ever, moms and babies need a champion. You can make a difference for thousands of families in your community and across the country. March of Dimes helps 4 million babies born each year. March with us to help raise awareness and funds to tackle the issues that threaten their health the most. With you by our side, we fight to ensure a brighter future for all families.

WALK WITH US

Join us at March for Babies on Saturday, April 21st at Maritime Park in downtown Pensacola. You'll be walking 2.5 miles alongside 700 others throughout the city. The day will include kids activities, food, entertainment and more. Take part in our Superhero Sprint!. We hope to reach our goal of \$140,000 with your support. Can't join us for the walk? You can volunteer or fundraise in a Virtual Walk! Visit marchforbabies.org/event/gulfcoast for more information.

OUR MISSION

March of Dimes is committed to ensuring that every mom and baby is healthy. We're working to prevent birth defects, premature birth and infant mortality through research, education, vaccines and breakthroughs. For the latest resources and health information, visit marchofdimes.org and nacersano.org.

If you have been affected by prematurity or birth defects, visit our shareyourstory.org community to find comfort and support. For detailed national, state and local perinatal statistics, visit peristats.org. You also can find us on Facebook or follow us on Twitter.
