About March for Babies:

March for Babies is the first and most widely recognized walking event in the nation, generating \$2 billion for the March of Dimes over its 46-year history. This fundraiser incorporates hundreds of volunteers who participate in a 4 mile loop around Spring Lake. Each walker raises money from friends, family and co-workers, then enjoys the walk festivities at family-friendly Howarth Park. Money raised through March for Babies enables the March of Dimes to continue its ongoing investment in life-saving research and programs so that every parent will know the joy of a healthy newborn.
