

March for  
Babies  
News

June 2015

### Turning in Money and Event T-Shirts

Event t-shirts will be given to those who have raised \$200 or more. In order to receive a shirt or gift card, funds must be credited

to a team member or walker and not to the general team total. We want to ensure that everyone is happy so let us know if you haven't received your shirt or if you need us to move funds. If you are a team captain and enough to receive shirts, let us know and we can work together to get the shirts you need.

### Father's Day Cards

Send Dad a special Father's Day card from March of Dimes and help us reduce the number of fathers who spend the first precious moments of their child's life in the NICU. When you make a \$10 donation, we will send your father - or an important father figure in your life - a card from the March of Dimes. Just let us know the details and we will take care of the rest.

Please place your orders with your community director no later than Wednesday, June 17<sup>th</sup>.

Did  
you  
know?

In the state of Georgia, one out of every ten babies is born prematurely.

## Fundraising Reminders

We are still fundraising even though the event is over. For individual fundraising incentives like the gift cards, the deadline to turn in money will be June 30, 2015. A postcard will be sent to the address on file for you to select your gift card. If you do not have your home address on file, please let us know so we can update it for you. Online fundraising has been extended and will close on July 31st. We will be accepting cash/check money through the end of the year. We are so close to goal and would love your help in getting there!
