

**HEALTHY
MOMS.
STRONG
BABIES.**

WITH YOUR HELP...

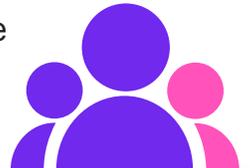

WE ADVOCATED

ON 150+ STATE LEGISLATIVE BILLS

and helped advance the Newborn Screening Saves Lives Reauthorization Act of 2019.

WE UNITED

on collective action to prevent prematurity and achieve health equity with **480 organizations** and more than **700 individuals**.

WE FUNDED 5 STUDIES

to investigate how social policies impact birth outcomes, affecting moms and babies everywhere.

WE SUPPORTED

50K+ BABIES BORN TOO SOON in **69 hospitals** with NICU Family Support®.

WE EXPANDED

GROUP PRENATAL CARE TO

40+ SUPPORTIVE PREGNANCY CARE SITES

across **19 states** so more women will get support services they need.

WE EXPLORED

electromyometrial imaging to “see” contractions as they happen to **help to reduce** the more than **380,000 premature births** each year.

WE GENERATED

THROUGH OUR #ITSNOTFINE CAMPAIGN 950 real-life stories from women who were challenged not to accept the statement “You’ll be fine” before and after pregnancy.

WE EVOLVED

OUR SIX PREMATURE RESEARCH CENTERS to a new model with

8 RESEARCH THEMES

29 AREAS OF INQUIRY

200+ RESEARCHERS

to bring real world solutions to millions of families in 2020 and beyond.

WE COLLECTED

THROUGH #UNSPOKENSTORIES 286 honest stories of pregnancy, parenting and loss that are too often unshared.
