A FIGHTING CHANCE FOR EVERY BABY™

Mission Markers

The March of Dimes has been working hard for over 80 years. As we begin this next chapter in our organization, we invite you to partner with us. Mission Markers are placed along the route and give walkers a quick chronological look at the accomplishments of the March of Dimes! In the Greater Washington, D.C. Market, Mission Markers also provide companies with the opportunity to publicize their business, while helping the March of Dimes improve the health of babies!

Here's how it works:

1. Contact local businesses and ask if they would consider sponsoring your team for just \$300.
2. Once they agree, they make a tax-deductible donation to the March of Dimes. This donation is credited to your personal and team total!
3. The local business receives advertising the day of the event and the satisfaction of supporting a great cause.
4. Be sure to take a photo of the sign on the day of the walk and send it to your team sponsor as a thank you!

Who can I ask? Anyone!

Your employer, hair salon, favorite restaurant, local construction company, pediatrician, landscaper, local bank, etc. The possibilities are endless!

Get your company's name on a Mission Marker for \$300!

Mission markers are placed along the route for all walkers to see as they march to honor all babies.
