

## grateful grandparents

Grandparents are very special people. They celebrate our successes and offer guidance when we are challenged. They are often the glue that keeps our families together, especially in times of crisis.

**If you are a grateful grandparent** (or your team has members who are grateful grandparents) **contact your March of Dimes representative to receive your Grateful Grandparent buttons.** These buttons will help identify all grandparents on March for Babies Day.

Grandparents supported the March of Dimes research when we conquered polio. We are grateful to have their help as we tackle preterm birth.

## Join Our Grateful GRANDparents Challenge: Raise \$1,000 or more for March for Babies

All our Grateful GRANDparents who raise \$1,000 or more will be

- acknowledged during March for Babies Day Ceremony
- acknowledged with a GRANDparent ribbon attached to button
- have their name and photo on the Grateful GRANDparent poster in the Family Team area at March for Babies
- have their name and Team Name listed on the Delaware Chapter Website
- make a difference in the lives of babies everywhere
