# A HEALTHY START FOR EVERY BABY

## WALK WITH US

Join us at March for Babies on March 24th at Cal Lutheran University - Kingsmen Park. You'll be walking 3 miles alongside 500 others throughout the campus. The day will include free food, water, and parking. Take part in our Family Fun Zone and Memory Garden. We hope to reach our goal of \$80,000 with your support.

Can't join us for the walk? New this year! You can volunteer or fundraise in a Virtual Walk!

Whether you participate in the event nearest you, with friends and family across the country, or in our virtual walk, you're part of a community that's working together.

**N**ow more than ever, moms and babies need a champion. You can make a difference for thousands of families in your community and across the country. March of Dimes helps 4 million babies born each year. March with us to help raise awareness and funds to tackle the issues that threaten their health the most. With you by our side, we fight to ensure a brighter future for all families.
