# A HEALTHY START FOR EVERY BABY

## WALK WITH US

Join us at March for Babies on May 12, 2018 at North Domingo Baca Park. You'll be walking alongside 1,500 others throughout the park. The day will include live music, refreshments, and a dynamic children's area. Take part in our Superhero Sprint. We hope to reach our goal of \$200,000 with your support. Can't join us for the walk? You can volunteer or fundraise in a Virtual Walk!

**N**ow more than ever, moms and babies need a champion. You can make a difference for thousands of families in your community and across the country. March of Dimes helps 4 million babies born each year. March with us to help raise awareness and funds to tackle the issues that threaten their health the most. With you by our side, we fight to ensure a brighter future for all families.
