

Ambassador Avenue

The March of Dimes encourages March for Babies teams to choose an ambassador and walk in honor of that child. Teams can choose an ambassador who represents the prematurity campaign, a child or infant with a birth defect, or a healthy baby or child, because **every baby has a story**.

Before the walk we will be in touch. We will get our ambassadors their t-shirts and share where their signs are before the event begins. We encourage our ambassador families to "camp out" by their ambassador sign throughout the beginning of the walk. Everyone at March for Babies wants to meet our mission families and we want everyone to understand why we fundraise and "why we walk!"

ambassador information

Please be sure to fill out this form **completely**. The Ambassador's picture must be submitted to vvighetto@marchofdimes.org. Picture must be in **jpeg format and high resolution**. Please send a picture of your ambassador at birth and a recent photo; we will include both on your ambassador poster. ***Deadline for submission is April 10th, 2015.***

The March of Dimes asks that all Ambassador Families will form a team and raise a minimum of \$250. These funds cover signage and t-shirt expenses and allow the March of Dimes' to spend 76 cents of every dollar to support research and other programs that help moms have full-term pregnancies and healthy babies.
