

# march of dimes® in the carolina foothills

The March of Dimes North Carolina Chapter funds programs that help moms have full-term pregnancies and healthy babies across the state, such as in the Foothills area.

This includes providing financial support to research and education that will help moms before and during their pregnancies. It also includes working with local medical groups and organizations to improve prenatal care and newborn screening.

In recent years, the Chapter invested nearly \$100,000 in grants within the Carolina Foothills region.

## **march of dimes grantees include:**

Catawba Valley Medical Center- \$45,070

Catawba Valley Medical Center Maternity Services- \$54,262

The mission of March of Dimes is to improve the health of babies by preventing birth defects, premature birth and infant mortality. The mission is accomplished through research, community service, public and professional education and advocacy.
